

Appendix II – Annex 1

Maps of uncertainty of density surface modelling abundance estimates for common dolphin, striped dolphin, common and striped dolphin combined, sperm whale and beaked whales

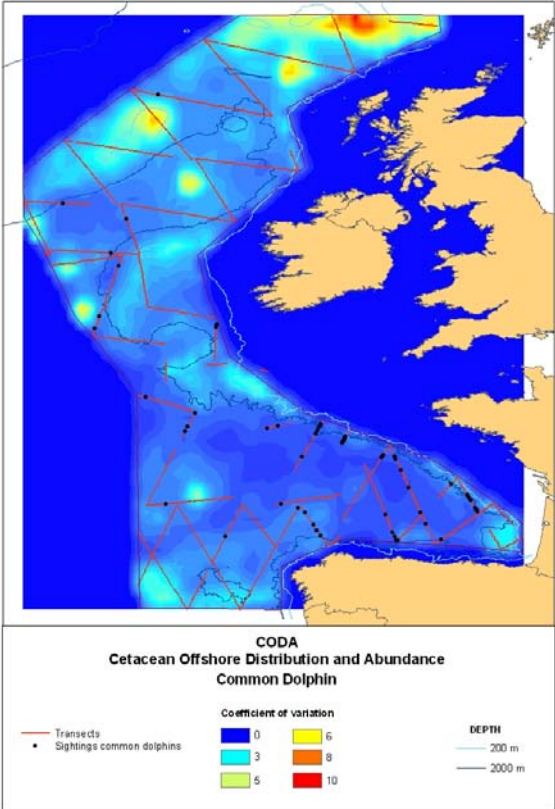

Common dolphin: Lower 95% Confidence Limit

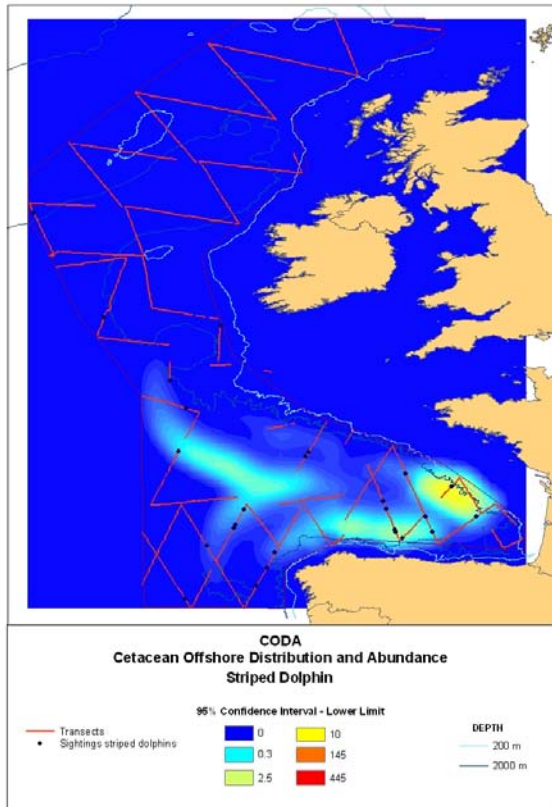

Common dolphin: Upper 95% Confidence Limit

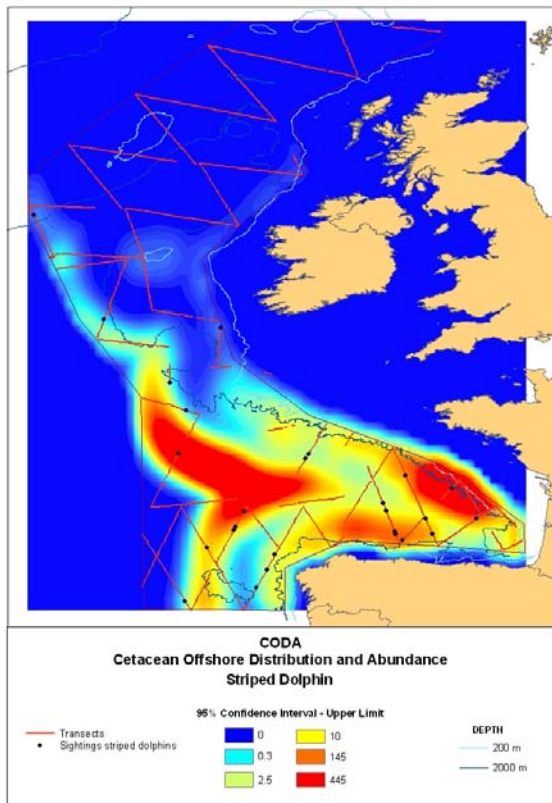

Common dolphin: Coefficient of Variation

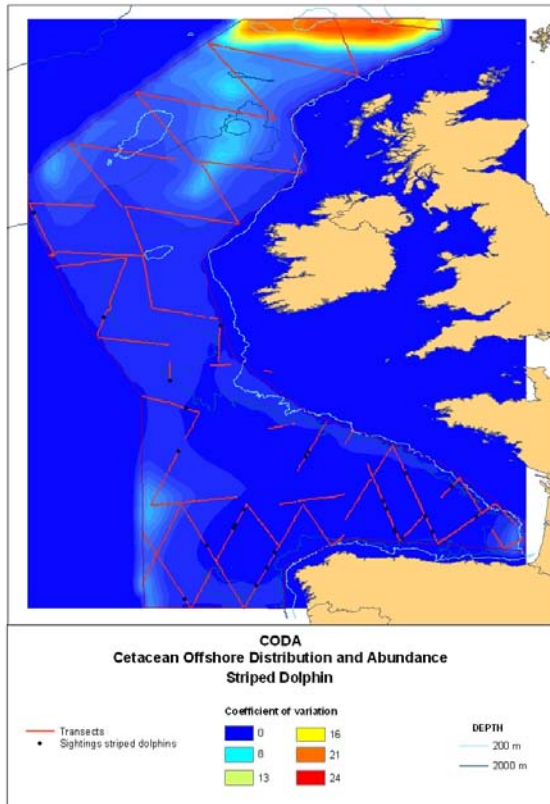

Striped dolphin: Lower 95% Confidence Limit

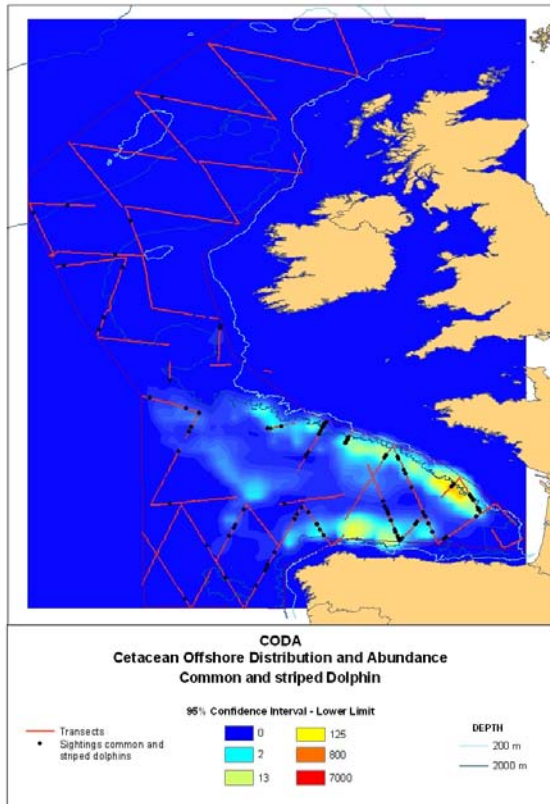

Striped dolphin: Upper 95% Confidence Limit

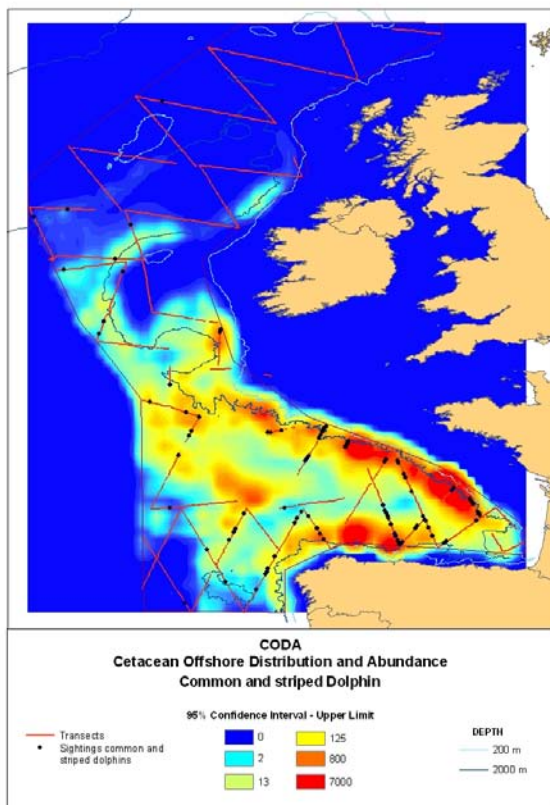

Striped dolphin: Coefficient of Variation

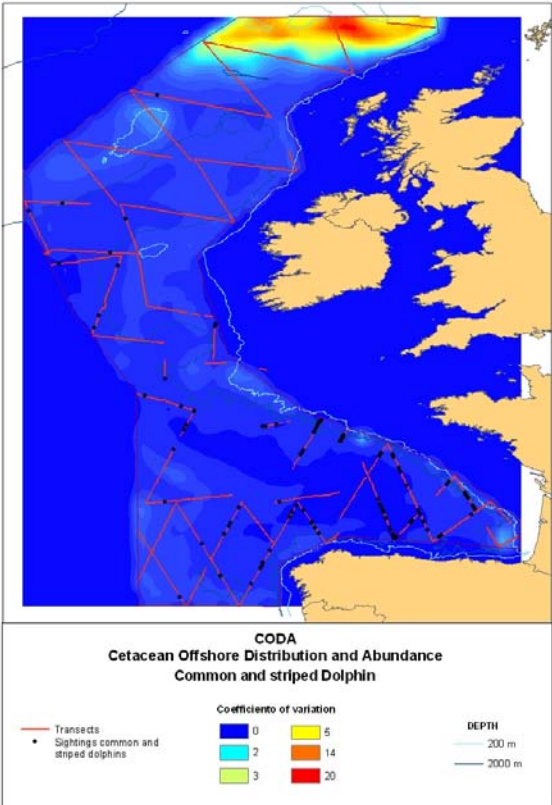

Common and striped dolphins: Lower 95% Confidence Limit

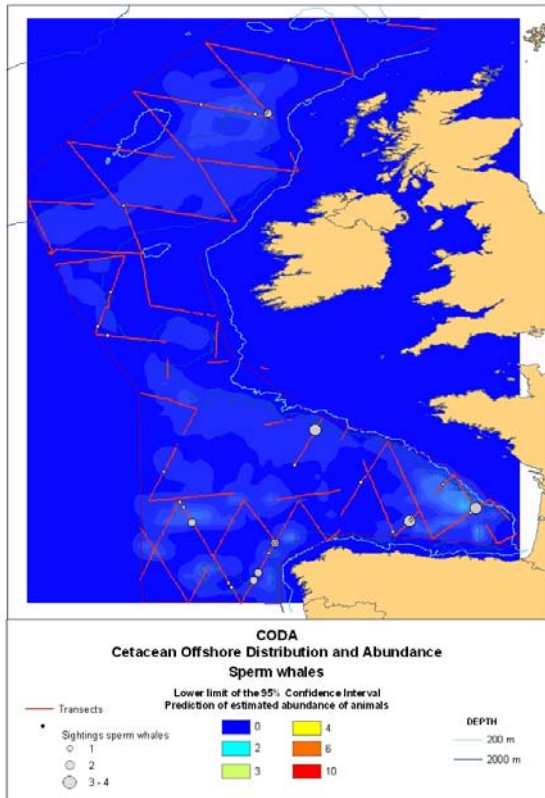

Common and striped dolphin: Upper 95% Confidence Limit

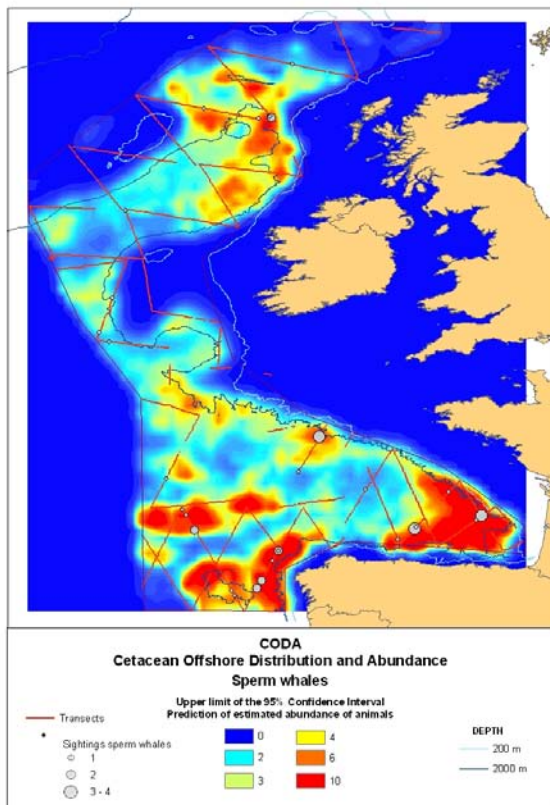

Common and striped dolphin: Coefficient of Variation

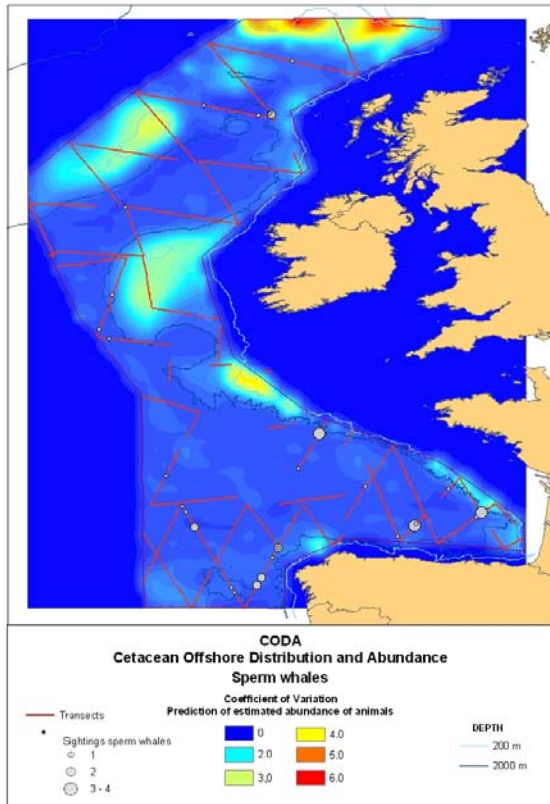

Sperm whale: Lower 95% Confidence Limit

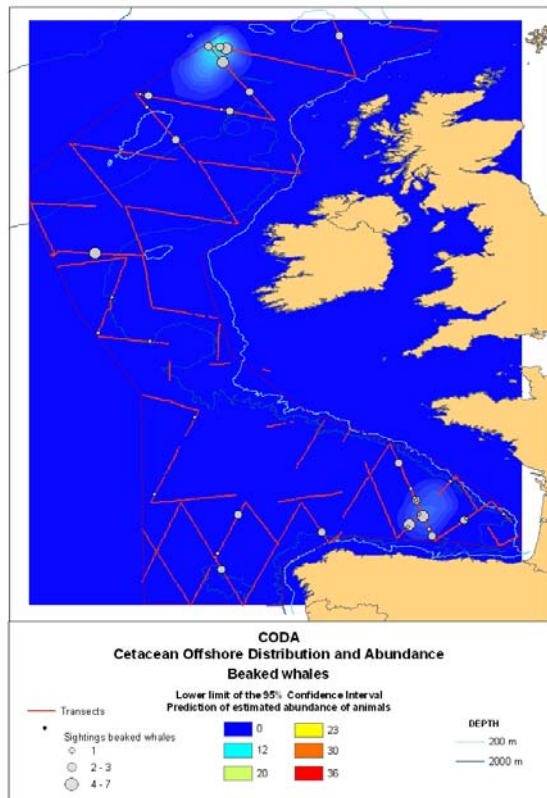

Sperm whale: Upper 95% Confidence Limit

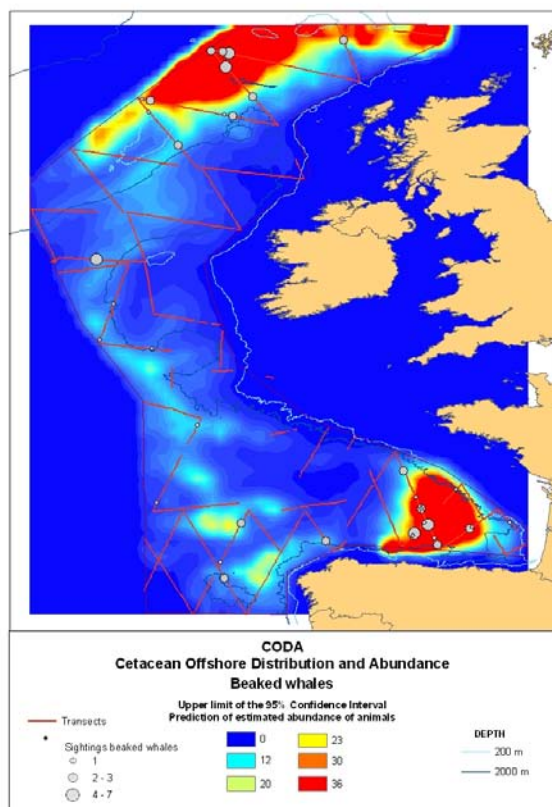

Sperm whale: Coefficient of Variation

Beaked whales: Lower 95% Confidence Limit

Beaked whales: Upper 95% Confidence Limit

Beaked whales: Coefficient of Variation
