

B.A. (International Honours) with The College of William & Mary

Important Degree Information:

B.A. International Honours

The general requirements are 480 SCOTCAT credits over a period of 4 years. 120 credits (equivalent to 30 William & Mary credit hours) are to be accumulated each year. One sub-honours year and one Honours year must be spent at each institution. To qualify for entry into Year 3 of the programme, a total of 240 SCOTCAT credits must be gained. The nature of these programmes permits some flexibility between Years 1 and 2 – and again between Years 3 and 4 – whereby a lighter credit load in one year at one institution can be compensated for by a heavier load at the other institution, or vice versa; however in all instances the critical credit totals must be achieved.
