

BA (International Honours) The College of William & Mary

The general requirements are 480 SCOTCAT credits over a period of 4 years. 120 credits (equivalent to 30 William & Mary credit hours) are to be accumulated each year. One sub-honours year and one Honours year must be spent at each institution. To qualify for entry into Year 3 of the programme, a total of 240 SCOTCAT credits must be gained. The nature of these programmes permits some flexibility between Years 1 and 2 – and again between Years 3 and 4 – whereby a lighter credit load in one year at one institution can be compensated for by a heavier load at the other institution, or vice versa; however in all instances the critical credit totals must be achieved.

	<p>Year 4: 30 credits from HI4997 or HI4998 or HI4999.</p> <p>60 4000-level credits in another ME- or MO-coded module.</p> <p>30 further credits to be chosen in consultation with an Adviser of Studies (dip-down is possible), normally in the chosen language at 3000 or 4000 level.</p>	<p>Year 4: Capstone seminar (HIST490C or 491C; 4 credits).</p> <p>Independent research project, normally HIST495/496 (Honors thesis; 6 credits) or HIST467 or 468 (Independent Study; 3 credits).</p> <p>Additional courses from HIST300 – HIST499 (for 17 or more total credit hours in History).</p> <p>Two courses (6 credits) continuing in the approved language at the 300 level or higher.</p> <p>Remainder of 30+ credit hours chosen in consultation with an Adviser to meet breadth requirements.</p>
	<p>Further Requirements:</p> <ul style="list-style-type: none"> - no more than 60 credits must be gained from ME-, MO- or HI-coded 2000-level modules. - At least two modules must be completed in American History. - At least two modules must be completed in British and/or European History. - At least two modules must be completed in Non-Western History. - Students must, in the course of their degree programme, successfully complete at least one module in one of the approved languages (Arabic, German, French, Italian*, Latin, Russian, Spanish) in every semester (or, at least, no fewer than eight overall). For the sub-honours year at St Andrews, this normally means a total of no fewer than 40 credits in that language. These modules must be taken in one language: they must build on each other and they must, in the course of Years 3 and 4, include a total of no fewer than four advanced modules† (typically at or above the 300/3000-level) in the target language (amounting to a total of 60 StA credits or W&M equivalent). - Where a student has commenced a language unsuccessfully, they may (with the permission of the Adviser of Studies) change to a different language at the beginning of Year 2. The modules taken in Year 1 will then count towards the required overall total of 8 language modules; in this case, the number of advanced modules is reduced to two (30 StA credits or W&M equivalent). - French can only be commenced at intermediate/post-202 level). - All other approved languages can be begun at either elementary level (i.e. beginners) or at intermediate level, except Arabic at St Andrews, which starts at elementary level only - Once this language requirement has been met, students wishing to do so are welcome to consider taking classes in another language to widen their experience. - Summer language classes offered by W&M or St Andrews may count towards the requirement with the Adviser's prior approval. <p>* Students wishing to start studying Italian at W&M must begin with ITAL101. Because of limitations on W&M upper-level Italian offerings, they will typically spend their third year at St Andrews, where they will take three Italian modules, unless arrangements can be made for them to take two upper-level Italian modules in year 3 at W&M.</p> <p>† 30-credit Honours modules in Latin count as two advanced modules.</p>
